To The Market Gardener:

Dear Sir:—

We have already mailed you a copy of our General Retail Catalog and we hope you gave it your careful consideration. We hand you herewith our Price List for Market Gardeners, and we earnestly solicit your order. For descriptions and illustrations of varieties please see the general catalog.

We are better equipped than ever to take care of our mail order customers and we assure you that any orders you may give us will have our very best attention.

It is especially necessary that you as Market Gardener should have good fresh seeds, that are true to name. If you have never used our seeds, give us a trial order and be convinced that you can rely on our Western Seeds.

Very truly yours.

THE BARTELDES SEED CO.

Terms of Sale.

Cash with order. Write name and address plainly.

Remittances may be made at our risk by draft, money order, or in registered letter, or in sums of one dollar or less by ordinary mail. Express money orders are always safe, and in case of loss adjustment can be made. We will take postage stamps in any amount.

Half pounds will be supplied at pound rates; five pounds at ten lb. quotations. No charge for bags, packing or carting, but in no case can we pay transportation charges at the following prices. If by mail, please enclose in addition to the price, 8 cents per pound, on Garden Seeds, Peas, Beans, Onion Sets and Corn for postage.

Notice.

We have discontinued selling by the quart and pint and are now selling everything by the pound. We think this a much better system and believe our customers will find it more convenient.
